Eukanuba Custom Care	Eukanuba Custom Care Sensitive Skin	All bag sizes	1/7/10 - 1/12/11

These voluntarily recalled products are made in a single, specialised facility in the United States and P&G Pet Care recently determined that some products made at this facility may not meet its high quality standards. Whilst P&G Pet Care sets a benchmark for Quality Assurance that meets or in many cases exceeds industry standards for pet food safety P&G Pet Care is still taking the precautionary measure of recalling all products made at this facility.

It is important to note that all other Iams and Eukanuba products are safe and continue to provide the high quality nutrition that cats and dogs need.

Consumers are being requested to immediately discontinue feeding the recalled products to their pets and contact the **Eukanuba hotline on 1800 033 608** (Monday to Friday 8.30am – 5pm) for a full refund and information about appropriate disposal of the product.

For any pet related health issues please contact your local veterinarian.
